Dear sir/Madam,

REQUEST FOR THE LEARNING MATERIALS NEEDED IN THE FOUNDATION

We, Chizoba solar international foundation write to appreciate all the hard work and diligent effort that you have put to see to the smooth running of this foundation. Word cannot express our sincere gratitude for your financial assistance and other wise, in providing this privilege to the youth in our country. Your kindness and generosity will always remain with us.

We sincerely solicit for your help in providing some of the learning materials listed below for easy teaching and learning of the youths in our foundation since those youth we train cannot afford these materials by themselves. The materials which include electrical and electronics appliances-Multimeter, MC4 plug and inter-connecting wire for solar. Projector for computer training and 5 big dictionary encyclopedia for English lecture.

Thanks once again for your kind support towards this foundation. And may the good Lord continue to enrich you all with his blessing amen.
